- > *Balance strategic thinking with hands-on execution*
- > *Use questions to build engagement in a shared vision and in accomplishing objectives*

An established Executive Coach, Leadership Author, Trainer, and International Keynote Speaker.

About Gary Cohen

His clients range from entrepreneurial CEOs of the nation's fastest-growing companies to executives of global 100 companies. He differentiates himself from traditional (psycho/therapeutic) executive coaches by bringing a vast amount of business experience as a former Founder / President of one of the Nation's fastest growing companies.

Gary is the Co-Founder and Managing Partner of CO2 Partners, LLC, which helps high performers and CEOs elevate their leadership and capability through executive coaching. Organizations can save millions of dollars and can grow by millions more by working with CO2 Partners.

Past Clients include

MetLife®

ThermoFisher
SCIENTIFIC

+ many small
to mid-sized
businesses

Gary captured his unique question-based approach in his bestselling book *Just Ask Leadership: Why Great Managers Always Ask the Right Questions* (McGraw Hill). He has also written for *Business Week*, *Leader to Leader*, and *Forbes*.

BusinessWeek

Forbes®

Gary's past success includes growing a small company with 2 employees and \$4,000 that grew 50% compounded annually to over 2,200 employees and was taken public on the NASDAQ. The company was ranked in the "Top 10 Best Performing Businesses" by *Venture Magazine* and among the "25 Fastest Growing Small Public Companies" by *Business Journal, Inc. Magazine* selected Gary as a finalist for "Entrepreneur of the Year Award."
